Biography

I am a Computer Science student at Deakin University with a passion for web development and interactive design. I enjoy learning new technologies and working on creative projects.

My favorite quote is:

“The only limit to our realization of tomorrow is our doubts of today.”

I love this quote because it reminds me that self-doubt can hold us back from achieving our full potential.

University

My Units

I am currently enrolled in *SIT120 Introduction to Responsive Web Apps*, *SIT313 Full-Stack Development*, and other exciting courses.

My favorite unit so far is *SIT120 Introduction to Responsive Web Apps*.

My Hobbies

Sports
